Notes

2025 show dates - Lexi will be meeting with the fair board. We usually get the same dates or close to them.

Support for performance - how can we build and support performance from a Gymkhana heavy board. We need help from people. You dont have to be on the board to help. Bringing in Ranch class help from Dianne and Nicky Kurty.

Option 1 is having 2 judges and 2 show days to condense costs and still provide the same amount of judges and points.

Club suggestions/concerns if a horse has an off day or even comes up lame it would take them out completely. There was a time that performance carried gymkhana, some times its like that but as long as the club as a whole is making money.

Suggestions: Smaller prizes or consolidate prizes for year end awards if there isnt enough participation in classes.

Send in ideas or come to a meeting to weigh in you opinions.

Action Items

1. Fundraising for 2025 will go towards a PA system and the tractor.
2. We will be reapplying for a grant.
